

DO CHRISTIANS HAVE SUPERPOWERS?

discussion

Romans 15:1-2 AMP Now we who are strong [in our convictions and faith] ought to [patiently] put up with the weaknesses of those who are not strong, and not just please ourselves. Let each one of us [make it a practice to] please his neighbor for his good, to build him up spiritually.

the goal of our relationships should be to embrace each other in our weaknesses and build each other up in God's power. Pair up with 2-3 people to discuss "Do Christians Have Superpowers?" and help each other grow together!

talk *together*

- Share your Heart Check status and why you checked it.
- Share the superpower you most need (from Galatians 5:22-23) and why.
- Share what have you been trying to do in your own strength that isn't working.

ask *each other*

- Have you seen me trying to handle this in my own strength? What have you noticed?
- Do you believe God can actually give me this superpower? Why or why not?
- Will you walk with me for the next seven days as someone who reminds me of God's power when I forget?

pray *together*

Pray together for 10 minutes and ask God to empower you with a superpower you've never consistently experienced, then commit together to turn to God to build that superpower in you for the next week.
